3

## KidLAX™

KidLAX™ is a gentle colon cleanse formulated for children ages 4 to 12 to help relieve occasional constipation.\* KidLAX™ is made with beneficial herbs, dried fruit, fiber and probiotics. It includes active Bifidobacteria and Lactobacillus cultures, as well as flax seed, fig, peach leaf, prune and rhubarb to support healthy elimination.\*

4

## KidZYME™

KidZYME™ is a natural digestive enzyme formula for children that supports digestive health with probiotics and the amino acids L-glutamine and N-acetyl D-glucosamine, which help maintain a healthy intestinal lining.\* KidZYME™ also contains fructooligosaccharide (FOS) to nourish healthy bacteria.\* Tiny capsules ensure easy swallowing.

8

## FloraBABY™

Infants receive their first beneficial bacteria during the birthing process. Supplying additional beneficial bacteria throughout the early years can support overall digestive and immune health.\* FloraBABY™ provides 5 strains of beneficial bacteria specifically chosen based on their prevalence in the digestive tracts of infants and toddlers, including B. infantis, the most important strain of beneficial bacteria.\*
