

HEAVY METAL CLEANSE™

Natural Ingredients Support the Healthy Elimination of Heavy Metals from the Body*

- 2-part, 30-day formula
- Promotes heavy metal capture and removal*
- Replenishes beneficial nutrients*
- No binders or fillers

What is Heavy Metal Cleanse?

Heavy Metal Cleanse is an easy-to-use, two-part detoxification program that combines natural chelating agents and antioxidants to assist the body with the removal of heavy metals.* The binding nature of the chelation process results in the possibility that some vitamins and minerals may be removed from the body as well, so this formula helps to replace those important nutrients.*

Chelating Herbs: Bladderwrack, Chlorella, Cilantro, Garlic, Kelp, Sodium Alginate, Spirulina

Vitamins: B1 (Thiamine), B2 (Riboflavin), B3 (Niacin), B5 (Pantothenic Acid), B-6 (Pyridoxine), B-12, Biotin, C, Folic Acid

Minerals: Calcium, Chromium, Copper, Magnesium, Manganese, Molybdenum, Selenium, Vanadium, Zinc

Antioxidants: Alpha Lipoic Acid, L-Leucine, NAC

Heavy Metal Cleanse 1 Morning Formula
