

DIGEST MORE™ ULTRA

Ultra-strength Plant Enzyme Formula Promotes Superior Digestive Health*

- Strongest formula available
- 14 plant-based enzymes target difficult digestion*
- SmartZYME™ ensures maximum effectiveness over a broad pH range*
- Highest activity level available
- Supports enhanced digestive function*
- Increases nutrient absorption*
- Helps break down a variety of foods*
- Helps relieve indigestion, gas and bloating*
- New easy swallow capsule

What are enzymes?

Enzymes play an essential role in every function in the human body, including eating, digestion and nutrient absorption, seeing, hearing, breathing, kidney and liver function, healthy elimination and more. In the digestive system, enzymes help break down foods by breaking apart the bonds that hold nutrients together. As a result, the body is able to use those nutrients for energy.

Although enzymes are typically present in raw, whole foods to assist with digestion, the majority of people do not obtain enough enzymes through diet alone. Today's diet of cooked and heavily processed foods depletes the natural enzymes from food and leads to poor digestion, as the body may not be able to completely break down foods and obtain their valuable nutrients.

DigestMORE Ultra was formulated by Brenda Watson, C.N.C., president of ReNew Life Formulas and the founder of five natural healthcare clinics specializing in internal cleansing and detoxification.

What is DigestMORE Ultra?

DigestMORE Ultra is the strongest digestive enzyme formula available today. Its straight plant enzyme formula sets it apart from our original DigestMORE supplement and specifically targets difficult digestion and enhanced nutrient absorption.* DigestMORE Ultra utilizes our unique SmartZYME blend, which combines multiple enzyme strains to increase the potency of the formula over a broader pH range in the digestive tract. This full spectrum of digestive enzymes works to help break down protein, carbohydrates, fats and starches.* DigestMORE Ultra is recommended for those who experience greater digestive difficulty and suffer from gas and bloating.

Supplement Facts

Serving Size: 1 Capsule		Servings per Container: 90	
		Amount per Serving	%DV**
Proprietary Blend		470 mg	
	Activity		
Protease	SmartZYME	100,000 HUT	***
Amylase	SmartZYME	25,000 DU	***
Lipase	SmartZYME	3,750 FIP = 18,750 LU	***
Cellulase	SmartZYME	3,000 CU	***
Lactase		1,200 ALU	***
Invertase		250 SU = 80 INVU	***
Glucoamylase		50 AG	***
Alpha Galactosidase		500 GAL	***
Beta Glucanase		25 BGU	***
Xylanase		550 XU	***
Hemicellulase		30 HCU	***
Pectinase w/Phytase		45 ADJU	***
Phytase		5 U	***
Papain		50,000 PU	***

Other Ingredients: Vegetable capsule (vegetable fiber and water)

Directions: Take one capsule with meals. May increase to two capsules if needed.

WARNING: Consult your physician before using this or any product if you are pregnant, nursing, trying to conceive, taking medication or have a medical condition.

ReNew Life uses a SmartZYME process for protease, amylase, lipase and cellulase. The SmartZYME process is comprised of multiple enzyme strains blended together for the ability to break down food over a broader range of pH levels in the body.
