- Supports the body's 7 channels of elimination*
- Contains PhytoSorb™ to help stimulate and promote digestion*
- Gentle and supportive for everyday use
- Made with organic herbs
- Non-laxative formula
- No binders or fillers

A natural blend of organic herbs and beneficial nutraceuticals that supports daily detoxification*

In our modern society we are being exposed to a level of toxins that was unheard of at any other time in human history. Toxins are in our food, air, water, workplace and home. It has been thought in the past that periodic cleansing was sufficient, but because we encounter toxins daily, Daily Multi-Detox supports daily detoxification.*

Daily Multi-Detox provides daily support for each of the 7 channels of elimination.* They are the organs and organ systems that filter and eliminate toxins from the body.

Daily Multi-Detox contains 39 ingredients, including 21 organic whole herbs and 12 nutraceuticals to aid the body's 7 channels of elimination.* Daily Multi-Detox contains PhytoSorb™, a blend of 10 herbs and cellulase that helps to promote and stimulate digestion and break down the cell wall of the whole herbs in the formulation.*

Daily Multi-Detox was formulated by Brenda Watson, C.N.C., president of ReNew Life Formulas and the founder of natural healthcare clinics specializing in internal cleansing and detoxification.
