

ULTIMATE FLORA YOUTH FORMULA 8 BILLION™

High potency probiotic supplement for ages 10-21

- 8 billion active cultures†
- 10 strains of microflora
- High Bifidobacteria
- Includes the beneficial strain *Streptococcus thermophilus*
- Specially formulated for adolescents and young adults

Ultimate Flora Youth Formula is a high potency probiotic for adolescents and young adults between the ages of 10 and 21. Each capsule contains 10 carefully chosen strains of beneficial bacteria with a total of 8 billion active cultures, including 2 billion Bifidobacteria and 5.2 billion cultures of Lactobacillus and Lactococcus.

Ultimate Flora Youth Formula also contains 800 million active cultures of *Streptococcus thermophilus*, which has been shown in clinical studies to help alleviate the symptoms of lactose intolerance and promote gastrointestinal health.*

The 10 strains in Ultimate Flora Youth Formula were chosen for their health-promoting benefits and their prevalence in a healthy digestive tract. Bifidobacteria are the most prevalent type of good bacteria in the large intestine, and Lactobacilli are the most prevalent in the small intestine.

Each vegetable capsule of Ultimate Flora Youth Formula is enteric-coated to ensure the delivery of the probiotics to the intestines.
